Subject: Microsoft settlement

I can not believe the Department of Justice is proposing this settlement. It's obvious that there had been an outside influence on the DOJ to settle this case now. Microsoft lawyers WILL NEVER allow the DOJ to enforce any of those settlement provisions.

Say good bye to competition and hello to a single source of ideas. Plus, you'll eventually be paying by the month for use of MS Office products. Better put that cost increase into your DOJ budget.

Very disappointed in DOJ.
